

Our Chef – Nguyen Danh Cuong

Originally from Vietnam and trained in some of France's finest culinary establishments, Chef Nguyen Danh Cuong creates refined cuisine inspired by Provence and Asian flavours.

His culinary philosophy is rooted in a balance of flavours and a deep respect for the ingredients. Through light, contemporary cuisine, he favours gentle cooking techniques, seasonal vegetables and aromatic herbs from our garden.

Committed to well-being and an anti-inflammatory approach to food, he creates elegant dishes where indulgence meets health.

Today, at Les Bories & Spa, he offers sincere, vibrant cuisine focused on the essential.
